

TIES CONFERENCE December 2012
MNSCU and K-12 Online Learning
Opportunities

Jo McClure, Infinity Online

Lesley Blicher, MN State Colleges and Universities

D2L K-12 Licensing News

- As of September 2012, able to leverage MNSCU D2L contract, via an Active User Licensing fee
- No RFP required by K-12 districts or agencies
- D2L provides platform hosting and support
- Another option for K-12 districts, schools, educators

K-12/Higher Ed Partnership Opportunities

- Seamless LMS experience for PSEO student or for graduating student entering a MnSCU school
- Common training and sharing of D2L best practices and expertise among administrators, teachers and faculty within both systems
- Cross-institution programs and curriculum partnerships, such as programs targeted to engineering and technical fields
