Little Falls Community Schools

# Questions to Consider

- What is the impression of the District's technology by stakeholders?
- Does the District have a culture of mobility?
- How much collaboration takes place?

# Impression of Technology

- Is it ...
  - Too controlling
  - Available where I need it when I need it
  - Efficient
  - Scalability

# Culture of Mobility

# Culture of Mobility

- Who is mobile?
  - Students -
  - Teachers -
  - Administration -

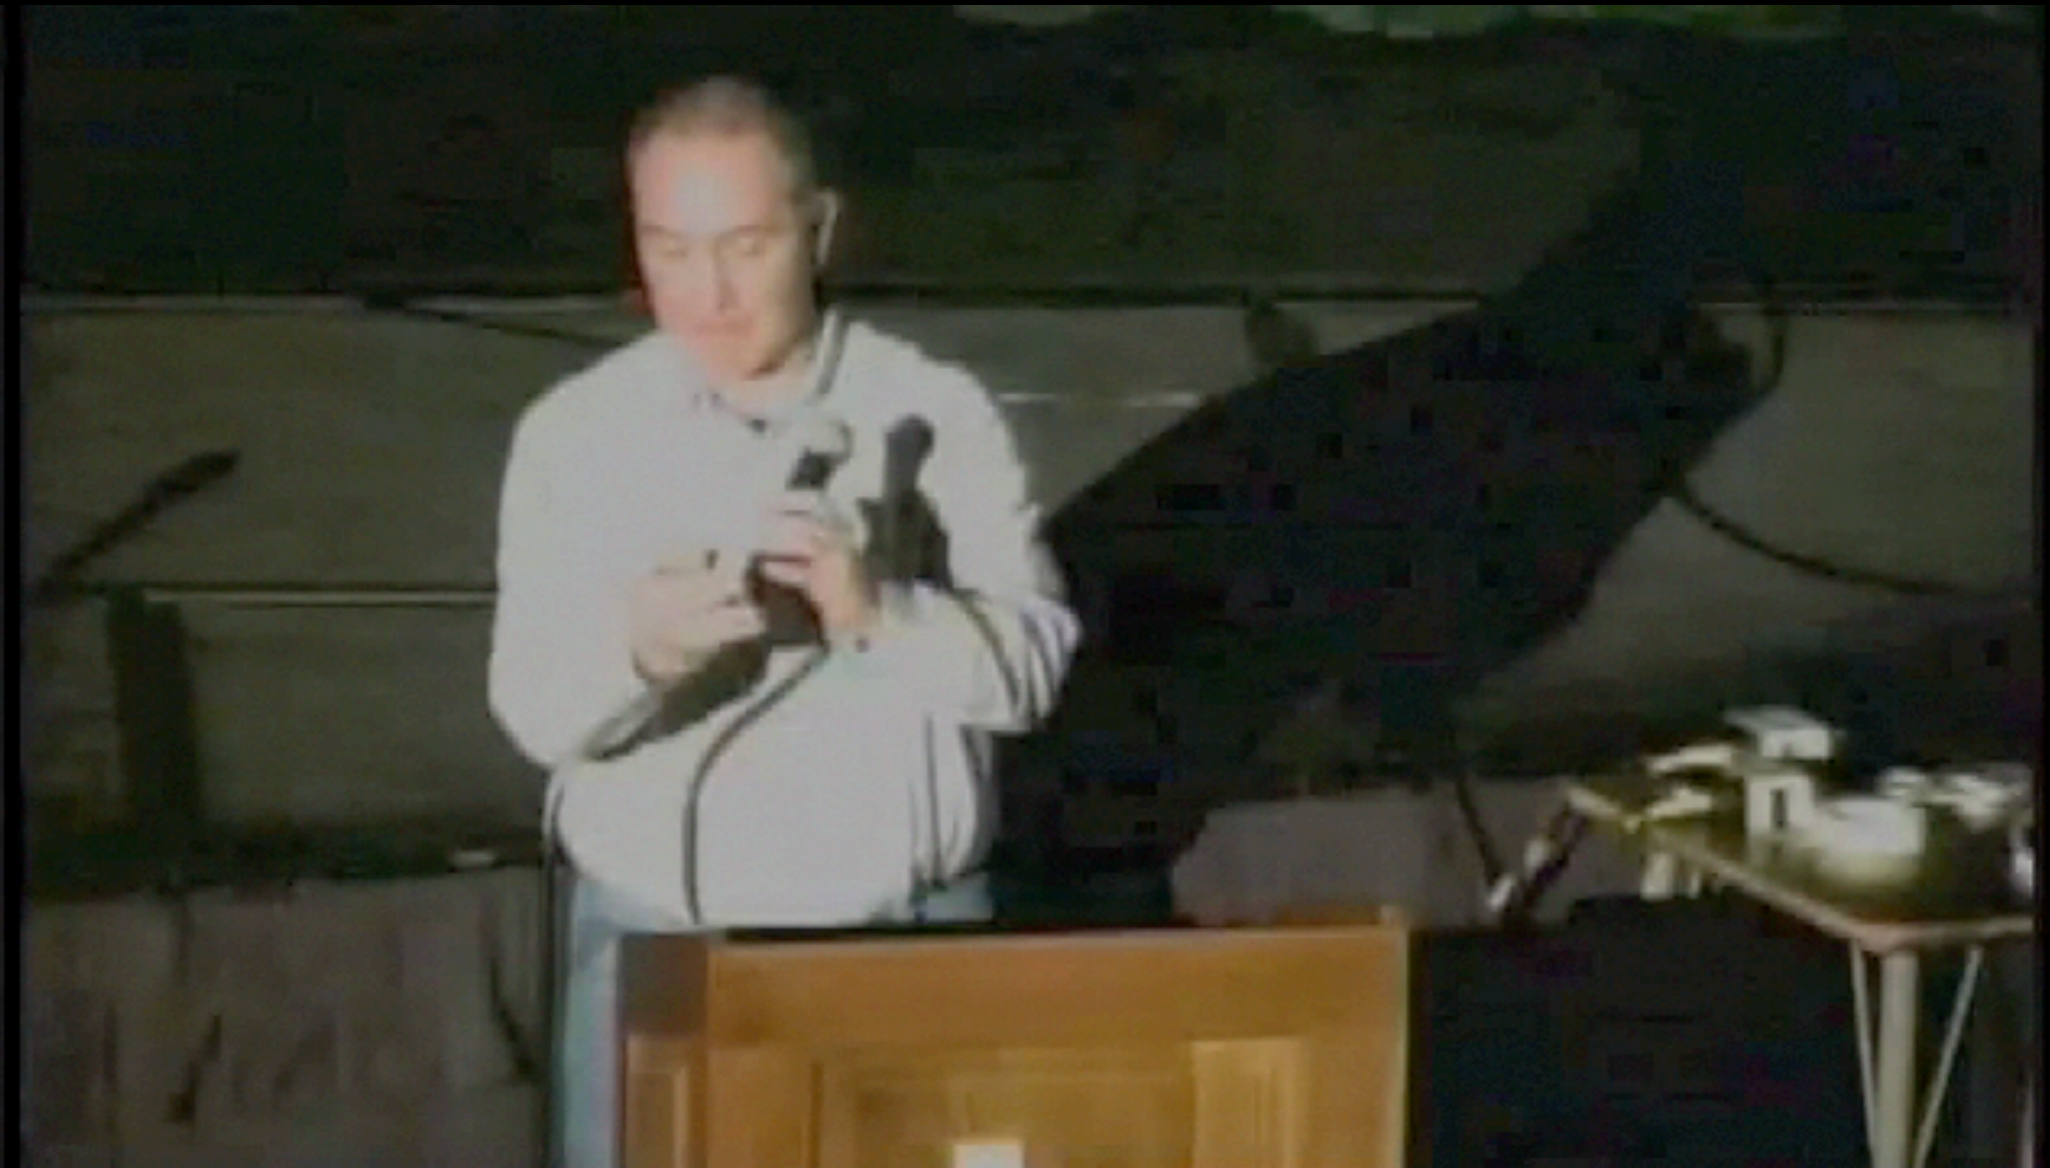

# Culture of Mobility

- Can I get my stuff when I need it?
- Can I easily share information with others?
- Can I easily access other information that I need to do my work?

# Collaboration

- What tools are in place for stakeholders to collaborate?
- Does the administration model collaboration?
- Does the technology staff model collaboration?

# Developing Support

# Developing Support

- Share your plan with staff
- Listen to staff

# Leveraging Students

- To present their learning information to gather support
- Provide staff development

# Closing Thoughts

- “Are we ready for this?”
