

Deer River iPad Pilot: Proposal appraisal

This appraisal is for (circle one):

- 1st grade - modified deployment
- 4th grade
- 7th grade
- 8th grade
- 9th grade
- 10th grade

Scoring Sheet

Categories were developed from the input of the tech team and a follow up meeting held on 5-10-12.

Complete 1 of these sheets per proposal

(please disregard formatting of the proposals - they came in a variety of formats and some printed better than others)

	Lowest or least likely				Highest or more likely
1. Members of the group will be able to overcome issues that naturally come with using new technology, and will be able to adjust and overcome while staying positive.	1	2	3	4	5
2. Members of the group have the ability, willingness, and capacity to help replicate success.	1	2	3	4	5
3. Members of the group have the willingness and ability to mentor and train others.	1	2	3	4	5
4. Members of the group have the willingness and ability to be positive ambassadors to the public.	1	2	3	4	5
5. Members of the group have the willingness to commit to the extra time and training necessary to implement their pilot effectively as well as an openness to learn, research, and experiment on their own.	1	2	3	4	5
6. Members of the group have demonstrated enthusiasm around using technology that we currently have in place.	1	2	3	4	5
7. The group articulated a thoughtful vision for how to integrate iPad technology into the curriculum in an impactful way.	1	2	3	4	5
8. Selecting this group creates a high probability of success	1	2	3	4	5
